FREQUENTLY ASKED QUESTIONS

***Is Discover a free event?**

Yes! Discover is a free-to-access online event.

Who should attend Discover Online?

Designed for decision makers and users, it the perfect event to learn more about the MYOB Acumatica platform, connect with a library of resources, and bring fresh ideas back into your business.

I work with a Business Partner. Who should I contact with general questions about Discover or my business?

If you are supported by one of our incredible Business Partners, they are best positioned to answer general questions about Discover or provide advice that is tailored to your individual business needs.

I can't make the event. Is it available on-demand?

If you have already registered, you will automatically receive an email following the event to watch on-demand.

If you aren't able to make the event but would like to receive the on-demand version, please make sure to register!

I've run into trouble registering or viewing Discover. Who can help?

The MYOB Events team are on hand to assist you with event-related queries. If you need support or assistance please reach out to events@myob.com.

If you work with a Business Partner and have general questions about Discover, or need advice tailored to your business please don't hesitate to get in touch with them directly.

Can I organise an office viewing party?

Absolutely! As long as you've registered to attend the event, you will be able to watch the event via a viewing party (you may need to assess your office setup).

To ensure your team members receive the event on-demand following the event, please don't forgot to individually register.
