Please note:

- 6 or 4 months free will apply after payment of the first month of the Minimum Subscription Period.
- A 15 month price freeze will apply from the Start Date meaning any subscription fees payable within the Minimum Subscription Period, will be charged based on the standard pricing applicable on the Start Date.
- MYOB sometimes offers new MYOB Advanced customers 3 months free in their initial subscription period. By accepting this offer, you are not eligible to receive the offer for 3 months free subscription.

#### **Pro-rata waiver of Legacy Product fees**

If your MYOB Advanced fees under the offer are equal to or greater than the fees that would have been payable for your equivalent Legacy Product for the Minimum Subscription Period, then MYOB will waive the software maintenance and/or licence fees for your relevant Legacy Product for the Minimum Subscription Period.

In assessing whether your MYOB Advanced fees are equal to or greater than your Legacy Product fees, we will compare the fees for functionally equivalent products. For example, ERP Legacy Product fees will be compared against MYOB Advanced ERP fees. Payroll Legacy Product fees will be compared against MYOB Advanced Payroll and/or MYOB Advanced Workforce Management as applicable.

#### **Ongoing access to your migrated Legacy Product for 12 months**

If you accept this offer, you will be eligible for ongoing access to your migrated Legacy Product, for the life of your relevant MYOB Advanced subscription, for up to 12 months.

How it will work:

- MYOB will honour your current usage rights (including number of paid users) for your relevant MYOB Legacy Product until 3 months after your MYOB Advanced go live date (Transition Date).
- After the Transition Date, MYOB will give you use of your relevant MYOB Legacy Platform for reporting and archival purposes only (limit to one user) for no charge, up to 12 months. Any MYOB Legacy Platform use beyond this single user access after the Transition Date may be subject to additional fees.

This right to use your relevant Legacy Product applies only to that Legacy Product which is functionally equivalent to your new MYOB Advanced service, where your MYOB Advanced spend is equal or higher than your spend for that Legacy Product.

#### ***Example: Where you have more than one Legacy Product***

*If you migrate from MYOB Exo Employer Services to MYOB Advanced Payroll with higher spend, then your right to free*

*use of Legacy Product applies only to MYOB Exo Employee Services. If you also use MYOB Exo Business and want free use of that Legacy Product, you need to also migrate from MYOB Exo Business to MYOB Advanced ERP with equal or higher spend to also get free ongoing use of MYOB Exo Business.*

Access will be subject to the following:

- MYOB may terminate your free use of your Legacy Product at any time after the Transition Date by giving you at least 90 days notice including if MYOB decides cease offering or supporting your Legacy Product; and
- MYOB may (at MYOB's option) suspend or terminate your use of the Legacy Product if you breach any MYOB terms of use or fail to pay fees due to MYOB in connection with your MYOB Advanced subscription or any other MYOB product or service.

Your use of the Legacy Product during the free period remains subject to the Legacy Product's terms of use or licence agreement. Your use of the Legacy Product might be impacted by a future end-of-support or end-of-life for that Legacy Product. MYOB will notify you of any planned end-of-support or end-of-life for your Legacy Product.
